

GOING THE EXTRA MILE FOR CLIENTS

We love direct mail. We appreciate our clients have a choice about which mail house they choose, so right from the very start, we've built our Australian-owned business by providing exemplary customer service, industry leading technology and cost-competitive direct mail services. When you need a reliable, no-fuss, competitive bulk mail house, call us on **1300 337 100**. We are ready to help.

3PL & ORDER FULFILMENT

Outsource your order fulfilment services to us. Our experienced team handles fulfilment requests via the Internet, phone, email or post, domestically and internationally.

PLASTIC WRAP SERVICES

Protect your direct mail from the elements and grab visual attention using our 100% degradable plastic wrap packaging. We deliver a high-capacity, intelligent plastic wrapping service from 5,000 items.

LETTERBOX DELIVERY/UMS

Letterbox delivery can be executed through Australia Post or our own letterbox delivery walker network. We can print your letterbox delivery materials, such as leaflets and flyers.

STORAGE & WAREHOUSING

From our two secure warehouse locations, we offer clients hassle-free storage options that minimise lodgement delays. You can track and monitor stock levels via our online portal.

CATALOGUE DELIVERY

We offer a full end-to-end catalogue distribution service from data management to delivery. We handle personally addressed or "to the householder" letterbox delivery options.

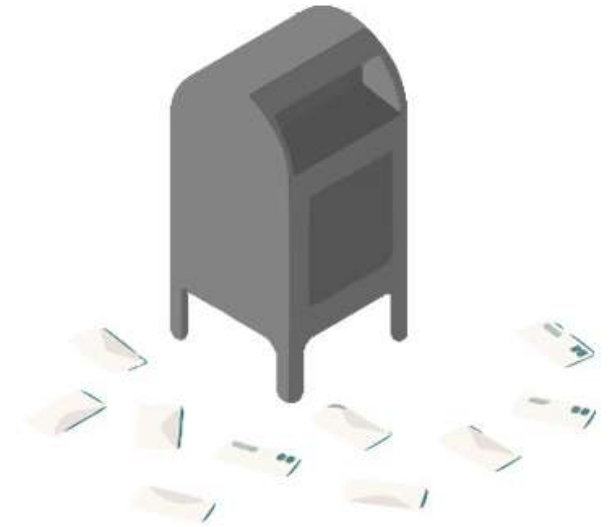

LASER PRINTING & IMAGING

Our on-site, state-of-the-art laser printers offer personalisation and high quality output. We can deliver 500,000 daily laser impressions.

MECHANICAL MAIL INSERTION

Focus on the creative aspects of your direct marketing campaign and let us worry about the rest. Our intelligent mechanical mail insertion equipment offers up to 8 sheets collated and folded with selective insertion.

DATA MANAGEMENT

We provide total preparation and data cleansing to meet Australia Post regulations, including barcoding and pre-sorting services. We wash and remove duplicates, print post line haul and consolidate for maximum postal discounts.

INKJET ADDRESSING

Our high-speed, precision address printers print addresses and graphics (such as barcodes and logos) to maximise the impact and professionalism of your direct mail pieces.

FOLDING

We fold precisely to avoid jamming and wastage, obscuring important information and slowing down your job. We can fold from A3 to DL and everything in-between.

MAIL, POSTAL & COURIERS

Direct Mail offers a suite of mail and courier services, including Australia Post plus our own network of reliable, reputable couriers to deliver locally, domestically and globally.

ENVELOPE SUPPLY & PRINTING

Our experienced team can source any envelope you want, saving you time as we locate a good supplier at very competitive rates. Plus, we print them to save you time and to avoid delays.
